ITEM NO. 2

STAFF REPORT

DATE: JANUARY 11, 2012

TO: MAYOR AND CITY COUNCIL MEMBERS 

FROM: ROD FOSTER, CITY MANAGER
BONNIE JOHNSON, MANAGEMENT SERVICES DIRECTOR

PREPARED BY: DEAN DERLETH, CITY ATTORNEY
DELMAR WILLIAMS, AGENCY COUNSEL

SUBJECT: ADOPTION OF ONE OF THE FOLLOWING CITY RESOLUTIONS:
(1) ELECTING TO RETAIN THE HOUSING ASSETS AND FUNCTIONS PREVIOUSLY PERFORMED BY THE REDEVELOPMENT AGENCY FOR THE CITY OF COLTON PURSUANT TO PART 1.85 OF DIVISION 24 OF THE CALIFORNIA HEALTH AND SAFETY CODE; (2) ELECTING NOT TO RETAIN THE HOUSING ASSETS AND FUNCTIONS AND DESIGNATING THE COLTON HOUSING AUTHORITY AS THE ENTITY TO ASSUME THE HOUSING ASSETS AND FUNCTIONS; OR (3) ELECTING NOT TO RETAIN THE HOUSING ASSETS AND FUNCTIONS AND DESIGNATING THE HOUSING AUTHORITY OF THE COUNTY OF SAN BERNARDINO AS THE ENTITY TO ASSUME THE HOUSING ASSETS AND FUNCTIONS

RECOMMENDED ACTION

It is recommended that the City Council adopt one of the following versions of Resolution No. R-02-12:

(1) Electing to retain the housing assets and functions previously performed by the Redevelopment Agency for the City of Colton pursuant to part 1.85 of division 24 of the California Health and Safety Code;

(2) Electing not to retain such housing assets and functions and designating the Colton Housing Authority as the entity to assume the housing assets and functions;

(3) Electing not to retain such housing assets and functions and designating the Housing Authority of the County of San Bernardino as the entity to assume the housing assets and functions.

GOAL STATEMENT

The proposed action will allow one of the following results to occur: (1) the City of Colton (“City”) to take on the responsibility of retaining the housing assets and functions of the Redevelopment Agency for the City of Colton (“Agency”) upon the Agency’s dissolution under AB 1X 26, and by doing so, permit the City to maintain some local control over those assets and functions, but also the associated cost as well; (2) the Colton Housing Authority (“Authority”) takes on the responsibility of retaining the housing assets and functions, which permits the City to maintain some local control over the assets and functions but not be directly affected by the associated costs; or (3) the Housing Authority of the County of San Bernardino (“County Housing Authority”) takes on the responsibility of retaining the housing assets and functions, which takes local control over the housing assets and functions away from the City, but also removes the associated costs.

BACKGROUND

On June 28, 2011, as part of the 2011-2012 State of California budget bill, companion bills Assembly Bill 1X 26 (“AB 26”) and Assembly Bill 1X 27 (“AB 27”) were enacted, which would dissolve the Agency, unless the City adopts an ordinance to participate in the “Alternative Voluntary Redevelopment Program” established by AB 27 and pay an annual “community remittance” payment to the County of San Bernardino. On July 18, 2011, a Petition for Writ of Mandate was filed in the Supreme Court of the State of California in the matter of *California Redevelopment Association, et al. v. Ana Matosantos, et al.*, Case No. S194861 (“Legal Action”), challenging the constitutionality of AB 26 and AB 27 on behalf of cities, counties and redevelopment agencies and requesting a stay of enforcement of AB 26 and AB 27, pending the Supreme Court’s determination of the legality of AB 26 and AB 27. On August 11, 2011, the Supreme Court issued an order in the Legal Action granting a partial stay of AB 26, exclusive of Health and Safety Code Sections 34161 through 34167 (which suspend new redevelopment activity), and a complete stay of AB 27, such that the City and the Agency could not pursue new redevelopment activity under the Alternative Voluntary Redevelopment Program (collectively, “Stay”). On August 17, 2011, the Supreme Court modified the Stay such that the Stay no longer affected Health and Safety Code Sections 34167.5 through 34169.5, in addition to California Health and Safety Code Sections 34161 through 34167, or California Health and Safety Code Sections 34194(b)(2). On December 29, 2011, the Supreme Court issued its final decision in the Legal Action, upholding AB 26, invalidating AB 27, extending all statutory deadlines under Health and Safety Code Sections 34170 through 34191, and essentially dissolving all redevelopment agencies throughout the State effective February 1, 2012

ISSUE/ANALYSIS

Health and Safety Code section 34176, enacted by AB 26, provides that the City may elect to retain the housing assets and functions previously performed by the Agency upon the Agency’s dissolution. If the City retains such functions and assets, all rights, powers, duties, and obligations, excluding any amounts on deposit in the Agency’s Low and Moderate Income Housing Fund (“Housing Fund”), shall be transferred to the City. Pursuant to Health and Safety Code section 34176(b), if the City elects not to retain the Agency’s housing functions and assets,

all rights, powers, duties, and obligations, excluding any amounts on deposit in the Agency's Housing Fund, shall be transferred as follows: (1) where there is no local housing authority in the territorial jurisdiction of the Agency, to the Department of Housing and Community Development; (2) where there is one local housing authority in the territorial jurisdiction of the Agency, to that local housing authority; (3) where there is more than one local housing authority in the territorial jurisdiction of the Agency, to the local housing authority selected by the City.

Although AB 26 is ambiguous about the what all "rights, powers, duties and obligations" pertaining to housing functions includes, which the public body retaining the housing assets and functions of the Agency will take on, it likely includes the following: the provision of production, inclusionary or replacement affordable housing units, development of affordable housing units in accordance with community income demographic restrictions, consultation with any project area committee formed by the dissolved Agency, and any required affordable housing monitoring and reporting.

The City should be aware that the potential benefit to the entity retaining the housing assets and functions of the Agency is that such entity would be able to control and be responsible for the housing needs within the former Agency's territorial jurisdiction. However, it is possible that this control may be of limited benefit because such entity will not be able to retain the Agency's funds on deposit in the Housing Fund, and there is no identified continuing funding source for affordable housing activities in future years that is transferred to the public body assuming housing functions and assets.

If the City elects not to retain the Agency's housing assets and functions, the Agency's housing functions and assets shall pass to a local housing authority of the City's choice within the territorial jurisdiction of the Agency. At this time, the local housing authorities within the territorial jurisdiction of the Agency are the Authority and the County Housing Authority. If the City selects the Authority, the housing assets and functions shall stay under local control, as opposed to County control. In addition, the Authority, not the City, will have the responsibility of obtaining funding for the housing functions. If the City selects the County Housing Authority, the City will lose all control over the housing assets and functions, but it will also avoid the associated responsibility of funding the housing functions.

FISCAL IMPACT

If the City elects to retain the housing assets and functions of the Agency, the City will be responsible for funding such functions.

No City funds are involved with the election of the City to not retain the housing assets and functions of the Agency.

ALTERNATIVES

The City Council may wish to consider the following alternative:

1. Provide alternative direction to staff.
